Can a business refuse entry to customers who refuse to wear a mask in MA?

Yes, if they do not wear a mask because of a non-medical reason. People who are exempt from wearing a mask due to a legitimate medical reason cannot be refused entry. Businesses may not require documentation for the medical reason.

Who wears a mask in businesses in MA?

Most essential businesses are required to have both employees and customers wear masks when the social distancing requirement of 6' cannot be maintained. In supermarkets, pharmacies and retail stores masks are required at all times.
